

Pillow case assembly instructions

Start by ironing the skinny strip in half the long way

Next iron the medium strip in half the long way

Next pin the two strips together along the raw edges

Pin the strips to the WIDTH of the base fabric along the raw edges

Pillow case assembly instructions

Sew along the raw edges with 1/2" seam allowance through all thicknesses

Press seam allowance down and pin along the sides and bottom of the pillow case

Sew along the side pivoting at the lower corner, then sew the bottom edge

Trim and even up the seam allowance to 1/2", being sure to clip the bottom corner off.

Pillow case assembly instructions

Flip the pillow to the outside,
do a final press and your done!
